RECHTS

1. STROPHE

Whooh-hoo!

I need a lot less drama
and a lot more „I don't care!“.

Uh-yeah!

I won't waste my precious time,
there's no need to compare.

Whooh-hoo!

Have you ever heard about karma?
You're gonna get back what you give.

ah ah ah ah

If you feel like dancing in the rain,
just go for it!

Oh, I'm sorry, I'm not sorry.

I am what I am.

CHORUS 1

Baby, strip all your make-up off!

You're happy doing what you want.

All we need is love, love, love, love, love.

Strip right down to the bones.

It's hard but all I know:

All we need is love, love, love, love, love,

love, love, love, love, love,

love, love, love, love, love,

love, love, love, love, love.

Strip it off like,

strip it off like love!

2. STROPHE

Whooh-hoo!

I could use a lot less judgment
and a lot more confidence.

Uh-yeah!

If I don't fit into your boxes,
you can cross me off your list.

Whooh-hoo!

I know what we stand for
and what we represent.

ah ah ah ah

Know that you're worth so much more
than fake ass compliments.

Oh, I'm sorry, I'm not sorry.

I am what I am.

CHORUS 2

Baby, strip all your make-up off!

You're happy doing what you want.

All we need is love, love, love, love, love.

Strip right down to the bones.

It's hard but all I know:

All we need is love, love, love, love, love,

love, love, love, love, love,

love, love, love, love, love,

love, love, love, love, love.

Strip it off like,

strip it off like love!

C-PART

Strip it all off.

Just do what you want.

Don't hold back now.

All you need is,

all you need is...

Strip it all off.

Just do what you want,

so don't hold back now.

All you need is,

all you need is...

CHORUS 3

Baby, strip all your

Baby, strip all your make-up off!

You're happy doing what you want.

All we need is love, love, love, love, love.

Strip right down to the bones.

It's hard but all I know:

All we need is love, love, love, love, love,

love, love, love, love, love,

love, love, love, love, love,

love, love, love, love, love.

Strip it off like,

strip it off like love!
